

## Inta Perfect Time Touch Sense Tap

Touch sense is part of Inta's range of electronic time controlled faucets operated by 'piezo technology'. The self closing fitting avoids the risk of taps being left running and also allows the users to open and close the faucet according to their needs. The Touch sense has a factory set flow time of 15 seconds, adjustable from 3 – 60 seconds. The Touch sense also features a 24 hour flush, eliminating the issue of stagnant water. Combining this tap with an Intamix thermostatic mixing valve ensures complete safety and functionality.

- Operating pressure range of 0.5 bar to 5 bar
- 15 seconds factory set flow time
- Adjustable flow time
- Automatic flush
- Touch operation using piezo technology

Technical specification:

Max inlet pressure (static)  
Min inlet pressure (dynamic)  
Factory Pre-set temperature  
Inlet connections  
Factory set flow time  
Adjustable flow time

8 bar  
0.5 bar  
70 °C  
15mm  
15 seconds  
3 – 60 seconds
