

Inta Extended Lever Minimalistic Basin Tap

The Inta range of lever handle taps is designed for use with our range of thermostatic mixing valves. A stylish design combined with easy operation makes the tap ideal for those with limited dexterity.

- Simple operation
- High polished chrome
- Easy to grip
- Extended lever available
- Standard contemporary design

The lever handle is easy to grip, and can be operated by either hand or wrist making it suitable for sheltered accommodation, residential homes and of course domestic bathrooms. An extended lever handle option is available for situations where hygiene is paramount. The extended lever can be operated by either wrist or elbow helping to avoid contamination.
