

Inta Basin Mounted taps (pair)

Product code: NC162CP

*Inta STD Basin Mounted non concussive taps
Chrome Plated is supplied with two Red and two
Blue Indices.*

The Inta range of non-concussive taps is designed for use with our thermostatic mixing valves. When operated manually, the tap functions for a period of time and then closes automatically. This operation makes the tap ideal for use in unsupervised areas such as sports changing rooms and washrooms. It is also perfect for use as a water economy device. The simple operation of the push tap enables users with limited mobility to use the facility. They are available in wall and basin mounted versions.
